

## Columbus Blue Jackets Gives Westgate Park A Playground!

Coming this September 5<sup>th</sup>, we'll be transforming an area of Westgate Park with a Blue Jackets-themed playground. It'll be the icing on the cake for the park, as the park is already renovating their recreation center.

We'll be partnering again with our friends at Columbus Recreation and Parks and the Ohio Parks and Recreation Association - you can see the mock-up of the new playground above.

We're so excited to give the kids at Westgate a hockey-themed place to play and can't wait for its completion.
